

Application For Permission To Use Asbestos or Similar Waste Material as Fill

36937

TOWNSHIP OF PASSAIC

COUNTY OF MORRIS

I, DAVID C. MAJOR of 651 WHITE BRIDGE RD.
MEYERSVILLE (GILLETTE 87433), do hereby request the permission of the Township
of Passaic to use ASBESTOS FILL FROM NATIONAL GYPSUM waste as fill on
Block (s) 225 Lots (s) 35-A & 35-A-1 in
MEYERSVILLE

Date 6/14/71

AGREEMENT

In consideration of this application being approved:

1. I do hereby agree to transport such waste material in such a manner as to avoid overloading and spilling and if spilling does occur, I do hereby agree to remove and clean up said spillage to the satisfaction of the Road Foreman and/or Police Chief.

2. I do also agree that any and all waste material used as fill will be inorganic in nature and not in any way offensive or a hazard or detriment to the health, welfare or well being of the citizens of Passaic Township.

3. I do also agree that any inorganic waste material dumped in the Township of Passaic shall within three (3) weeks from the date of this application be leveled and covered with earth to a depth of six inches (6"). If the Township Committee so decides that the elevation of the filled area is important for any reason whatsoever, written notice from the Building Inspector shall be sufficient to immediately stop the work until a written decision can be made as to what the final elevation shall be.

4. I do also agree that if any filled area is not leveled and covered with six inches (6") of earth after the expiration of the three (3) week period, that the Township Committee can arrange for the covering and leveling of such areas at my expense.

FEE: \$20.00
